PITKIN COUNTY PERMIT FOR OPEN BURNING

Applicant's Name: _____

Phone Number: _____ Fax Number: _____

Owner of Property: _____ Owner's Phone Number: _____

Name of person who will remain on-site for entire burn: _____

Burn Site Phone Number: _____ Email: _____

Burn Site Address: _____

What do you plan to burn? _____

I understand that I must contact Aspen Communications Center (dispatch) by telephone, at 920-5310, each day before I start burning and again when the fire has been completely extinguished.

INITIAL _____

Restrictions and Requirements for All Open Burning:

- The Colorado Clean Air Act does not allow fires that are a nuisance to others.
- Open burning is prohibited by the Fire District between the dates of June 1st and September 30th.
- The owner or responsible person shall notify Aspen Communications Center prior to and after burn is completed, at 920-5310.
- This permit shall be available at the burn site while burning, and it must be shown upon request of an appropriate official.
- Open burning is only allowed during daylight hours. All fires must be extinguished before dusk.
- Open burning is not allowed during periods of extreme fire danger or when winds exceed five miles per hour. Burning is discouraged during afternoon hours because of potential winds.
- Construction materials, treated or painted wood, trash, any plastics, tires or similar dense or toxic smoke-producing substances are prohibited from being burned.
- Open burning is prohibited within 25 feet of any structure.
- A responsible person must attend open burning at all times.
- Adequate fire control equipment (shovels, water, fire pumps, etc.) must be kept on-site and available while burning.
- Should the open burn spread out of control or off of the burn property, and fire extinguishment becomes necessary, the owner agrees to pay for any resources other than those owned by the Fire District that may be needed to control and extinguish the fire.
- The Fire District and the employees thereof, in issuing a permit, assume no liability or responsibility for any hazardous situation created by the applicant or any damage that may occur as a result of open burning.
- The Fire District has the discretion to extinguish a burn at any time, for any reason.

It is my understanding that failure to comply with the provisions of this permit may result in legal action being taken again my representative(s) or myself.
